Love Feast, Spring 2016

There's something incredibly wonderful about the word "TOGETHER." As Brethren, we are very good at being a part of something greater than ourselves. We have come to realize that that God's love is not to be kept to ourselves

but shared throughout the community and the world we live in. We hold fast to the understanding from 1 John 4: 4 that as children of God; "greater is He that is in me than he that is in the world."

At Little Swatara, together is taken to an entirely new level where we don't just meet, pray and serve, but we do so in community, with intention of unity and steadfast love for one another. We strive to embrace our differences and create a body of believers reflective of the church Christ intended as welcoming and nurturing, and attentive to the very needs therein. As we walk out our faith, we do so collectively as one, knowing church can be a place we call home away from home. Our mission together will always be to continue the work of Jesus; simply, peacefully, and together. May we always be mindful of one another in love and the Great Commission to go and make disciples of all nations...

Lovingly, Pastor Matt
