## “LEGEND OF THE *WARRIORS*”

### MARCHING BAND COMPETITION

On behalf of the Warwick School District, board of school directors, and our Warwick school community, we welcome you to the tenth annual “Legend of the Warriors” Marching Band Competition. Warwick enjoys a strong tradition of musical excellence, and this year’s marching band exemplifies the teamwork, dedication, musicianship, and personal discipline required to bring you the quality program you will enjoy this evening. Many thanks are due to the staff, students, parents, and community members who provided their time and talents to this very valuable program.

The Cavalcade of Bands sponsors this special evening of excellent music and marching entertainment. The schools showcased in this activity will demonstrate the high quality and commitment of their marching band programs as part of the educational offerings provided to our students. The success of each school’s marching band program is a product of the collaborative efforts of the school administration, music staff, band parent support groups, and our students.

Our students learn valuable lessons through musical experiences; lessons like self-discipline, communication, collaboration, listening, leadership, and character. The marching band experience requires skills that require individual excellence to achieve team success. These skills will stay with our students for a lifetime, and apply to many situations they will encounter. Henry Ford said: Life is a series of experiences, each one of which makes us bigger, even though sometimes it is hard to realize this. For the world was built to develop character, and we must learn that the setbacks and grieves which we endure help us in our marching onward.

I wish to extend my personal appreciation to the Warwick Marching Band Parents’ Association for organizing and hosting this event and providing continual support for our marching band program, and most importantly, our students. Best wishes for a night of high quality musical enjoyment.

Dr. April M. Hershey

Welcome to our tenth annual Warwick “Legend of the Warriors” Marching band competition. None of this would be possible without the dedication and passion of the students, parents, communities, and staff involved in all of the bands here this evening. We want to thank all of you for supporting the music programs in your districts.

This year’s participating bands include:

Coatsville HS  
Governor Mifflin HS

Northern Lebanon HS  
Warwick HS  
York Catholic HS

We hope all of you have a great performance.

Special thanks to our student performers, instructors, volunteers and the Warwick Band Parents’ Association for making this night special for all of the people involved.

Music has a way of connecting us to memories, emotions, and celebrations throughout our lives. We sincerely hope that this evening does that for all of you.

Enjoy the show,

## Guidelines for Spectator Etiquette

Every student who sets foot upon this field this evening is a winner! Each has worked long and hard preparing, and will now present to you for your approval, the results of their labors. It is your job as a spectator to give as much attention as is humanly possible and to acknowledge everyone's efforts throughout the performances.

- Each and every one of the students here today has given an enormous amount of their time and energies working hard striving for excellence. Each and everyone of these performing groups will achieve to a varying degree, and each and every one of these students is deserving of response and recognition! The job of a spectator is to cheer wildly and enthusiastically for ALL the bands.
- It is not proper to enter or leave your seat in the middle of someone's performance. Please wait until the performance is completed before entering or leaving your seat.
- The time to talk and comment is in between performances and definitely not while a band is performing.
- It is proper and expected that all spectators will applaud for ALL of the performers. Some spectators have fallen into the habit of only applauding for their own child's performance, thinking that the amount of applause that a group gets might affect the score. Judges really are not affected by spectators' applause.
- Let it be known that air horns, cow bells and any other noise-making devices in the stands can actually be a detriment to a band's performance. If the judges cannot hear the band perform, they cannot give proper credit.
- Support the host school financially tonight. Buy a program, a soda and a hot dog. Let the advertisers and sponsors know that you saw their ad in the program, and appreciate their continued support.

# Cavalcade of Bands Association

## Overview

The Cavalcade of Bands Association is composed of member marching bands, jazz bands, and indoor marching ensembles. Control of the Cavalcade is vested in the band directors in cooperation of the respective schools. Any organization is welcome to participate regardless of the number or experience of its performers. ## Philosophy

It is the continuing philosophy of the Cavalcade of bands Association to provide students with a broad array of educational opportunities for the development of the abilities in music and performing arts. Through competitive and non competitive evaluation, the primary goal is to promote the ongoing development and mastery of cumulative technical and artistic skills reflecting contemporary educational principles.

## *"Beyond the Rainbow"*

The Warwick School District in Lititz, Pennsylvania is proud to present the Warwick High School Marching Band, performing their 2014 production *"Beyond the Rainbow"*

What lies beyond the rainbow? The 2014 Warwick Marching Band will take you on a journey of color and contrast. Our show opens full of color, with our own adaptation of the well-loved song *"Over the Rainbow"* by Harold Arlen. Listen for snippets of this tune interwoven throughout the show. In our second movement, the colors of the rainbow are explored in greater depth with the rhythmically complex and tonally chromatic *"Minimally Speaking - Part 1"* by Richard Saucedo. The darkness that exists beyond the rainbow takes over in our adaptation of the brooding *"Overture: Black Symphony."* In the final movement of the show, the percussion section is featured and all color fades away in *"Paint it Black"* by the Rolling Stones. The Warwick Marching Band is led onto the field under the capable field direction of drum major Hunter Kready.

*The band would like to thank the Warwick School District Board of Directors, Administration, Superintendent Dr. Hershey, Principal Mr. Axe, WHS Staff, Greco's Italian Ice, Bombergers of Lititz, and the Warwick Band Parent Organization for their continued support.*

# 2014 Northern Lebanon Viking Marching Band

The Northern Lebanon Viking Marching Band is proud to present their 2014 field show “*Nightmares and Dreams.*”

Nighttime can be both a scary time, as well as a peaceful time in the life of a young child. Once you fall asleep, your imagination is free to run wild. Our show takes you to both the dark and mysterious side and the lighter, more soothing side of slumber. We begin with Part I – Twilight, when the sun begins to set and the children know that bedtime is just around the corner. It is a playful time, but it can also be a struggle to settle down and finally go to bed. Once finally asleep, we get to Part II – Nightmares. The child’s bed actually comes alive and moves around as it fends off monsters and other dark forces of the night. Eventually, the child’s mind reaches peace as we finally get to Part III – Dreams. Soaring melodies and flittering trills help welcome the much-needed, calming sleep before the sun rises and another day begins.

The band is under the field direction of drum major Nathaniel Lyon. Our sleeping child is portrayed by Julia Yeager. Our young assistants making the bed come alive are Hannah Casler, Arthur Shirk, Garette White, and Brett Wilson.

Musical selections include:

**Part I – Twilight:** *Flight* from Cirque du Soleil’s *Ka*; arranged by Jay Dawson

**Part II – Nightmares:** *Night Watch, Mvt. 1*; arranged by Jay Dawson and *Battlefield* from Cirque du Soleil’s *Ka*; arranged by Jay Dawson

**Part III – Dreams:** *Flying* from Cirque du Soleil’s *Journey of Man*; arranged by Richard Saucedo

2014 Staff:

Gregory Innes, Heather Innes, Mike Ceresini, Jason Getz, Josh Evans, Ali Brandecker, and Norma Sando

2014 Section Leaders:

Cassidy Graft – Woodwinds; Travis Rhoad – Brass; Zach Lutz – Drumline; Azure Herb – Pit; and Macey Saphore – Color Guard

A very special thank you to all the parents on the construction crew who made the bed a workable prop! Also a huge thank you to all the band parents behind the scenes making everything run smoothly!
